From the Baron

Unto the barony of Caerthe, pray lend me your ear and hear these words.

Once again the days of new are upon us all. As spring draws near, giving us a new rebirth from the cold of winter, we come out of our strongholds and find a fresh breeze blowing around us.

With this rebirth, our King has set forth to find his heir to the thrones of this kingdom. Thus ThLord Kynan of Wyreforrest and his Lady, ThLady Eleanor of Bolton come to be found worthy enough to be seated at the side of our King and Queen as Prince and Princess.

I would ask that we, the barony of Caerthe, give our time and support to their highnesses. On the day of their Coronation my dear cousins, and the populace of Dragonsspine will be hosting the day in their honor and I would ask that all attend this event and show our pride for them and the kingdom.

As in the past, we have fought along side our King and Queen in times of war. As the blood flows through the great stag of this kingdom, it inspires wondrous feats of honor and strength upon the fields of battle. The artisans of Caerthe have shown their abilities with great honor. Lady Guernen did show her prowess in the form of word, she was victorious in the poetry division. THL Jorunn also showed her prowess in the form of spinning. She placed second in her respected art form.

As the artisans have shown their skills in the arts, the mighty archers of this barony took flight and were strong on the field in their own right. Lord Rand the Tracker was created a companion of the Sharp Arrow, as was Lady Ailinn Shadowfox was created a companion of the Stag for her works in archery and scribal arts. May the numbers of archers and their skills grow.

The great warriors of the rapier community once again stood strong in numbers and skill of foot. Their skills bewildered many with their flare and abilities. Lord Carrick showed that his talents are matched with the legendary Dons of this kingdom and he now carries the title of Don.

As the rapier community joined together and stood their own, the heavy weapon warriors stood tall and as strong as myself and my good cousins. We all stood again to show support to our King and Queen in the field of battle. One rose above and was acknowledged for his prowess, THL Ceason was admitted to the order of chivalry, as a Knight of the society.

I would like to say thank you to Schola for hosting the engineers feast and collegium. I had a wonderful time and felt welcome as always.

Artisans pray special attention! In days to come there are days of glory to behold foryourselves and for Caerthe! The Outlands will be once again holding it's A&S event. I would encourage one and all to hone your skills and show this kingdom what this barony has known for many years. This barony holds many of the greatest artisans of this kingdom! Go forth and show this once again!

There has been so many acts of honor done this past few months that I hope that it continues. I would like to give thanks to the cooks guild for giving their time freely to help support the outlands feast at the war and congratulations to all that were elevated by their Royal Majesties.

To everyone that showed how generous and talented you are, in the name of Caerthe, I tip my coronet and give thanks. You have set an example in which the populace will follow to greatness.

In service to this Barony and its Kingdom

Look forward to moving our Fighter practice site in the near future, with luck to the Fitzsimmons base. Details are still being worked on and Jester will have the information for you as soon as he gets it.

Congratulations to THLady Jorunn and her team as they will be running our next Twelfth night. Thank you to all who showed interest this year, and keepyour good ideas coming for future twelfth nights!

From the Treasurer

I will be stepping down as Exchequer sometime this year, probably at Cavalier Holiday. I have held the position for five years now, and I suppose it is time to pass it on. My deputy, Lord Johann of the Northern Moors, has expressed an interest in holding the office when I step down. However, if anyone else has an interest in holding the position, please let me and His Excellency, Maelgwn, know. You will also need to send a letter to the Kingdom Exchequer, THL Bjorn, letting him know of your interest and qualifications.

If you are interested but not sure of what is involved, please approach me and I can show you what paperwork is due at various times. Aside from balancing the checkbook and writing checks, a monthly report detailing the expenses and income is printed in the Fortress. Quarterly reports are due to the Kingdom Exchequer, and of course, the Domesday for year end activity which also includes receiving paperwork from the Chronicler and the Quartermaster.

From the Knight Marshal

Greetings to the populace. As of March 22 we do not have a confirmed practice site for the month of April. A full accounting for this will be made in the next issue of the Fortress. We will hopefully be in a new site with indoor and outdoor space and other amenities on April 5. An announcement will be made at the fighter practice (at Jeffco Fairgrounds) on March 29 regarding the location of the new fighter practice. A similar announcement will be posted to the Outlands listserv. Maps will be made available at the practice and the upcoming populace meeting.

If you have any questions, please contact me via phone or e-mail using the information in this issue. Thank you.

From the Chronicler

This month I find myself with not much to say. I would remind those of you whose subscriptions are due and who wish to keep receiving the Fortress, to please send in your checks. I also wish to thank those of you who responded to Lord Frederick's request for a Web deputy. We should be making that determination shortly. Please check out his new design for the Web page.

From the A&S Officer

FINALLY!! We really have a date for the Spring A&S. Fiber and Functional Visual Arts and Science Competition will be held on May 6th. It is being autocratted by THL Jorunn. We are trying something a bit different this year. The collegium topics will be on Culinary and Performing A&S. We are still attempting to finalize the Fall A&S for November 4th.

Congratulations to the wonderful Baronial Artisans who entered at Estrella, Lady Guernen won the poetry category and THL Jorunn was second in the spinning. Huzzah!

My e-mail through Juno has been having some problems so please use cabaker@milehigh.net. Thanks.

Kingdom A&S is April 8th in Windkeep. It will focus on 16th Century life. Come and share some ideas.

Demo at CU Boulder, Friday, April 21st

I am pleased to announce that there will be an SCA demo on CU campus, Boulder! Please contact me if you are interested in participating. The date is Friday, April 21st, and the time will be 4-8pm. This will mean that we need to be at the site by 2pm to set up. It will be located in the courtyard of the Quad Residential Housing, behind Engineering. Parking can be off of University Heights Street, or among other parking lots. All on-campus parking lots will charge until 5pm. Please note that we can park at the site, unload, and then move our vehicles. I realize that most of us will need to take off of work in order to do this. I apologize for this inconvenience, and thank you for your pains. The reason for the time of this demo is to catch CU students before they take off for the weekend. The next demo with CU will be when the rest of the organizations set up booths the beginning of the school year.

We will be provided tables and chairs, and can set up our sun-shades and fighting/fencing areas in the courtyard. It is a beautiful courtyard and as it will be getting dark at 7:30-8:00pm, I was wondering if we couldn't have the tail-end of our demo be Middle-Eastern dancing and drumming by candle-light. Wouldn't that be special? Other things that have proved to be well-liked in past demos are: blacksmithing/metal work, calligraphy & illumination, weaving & spinning, heraldry/ history books, picture albums, weapon display, armor display, candle-making, Medieval games, chain-mail display, leather-working, musical instruments playing music, musical instruments display, musical instruments accompanying dancers, drumming and dancing, archery informational demo, equestrian events display, and of course: fencing, heavy-weapons fighting. It would be very wonderful if we could get a loud, vocal herald for the fighting/fencing.

In addition, I have volunteered to haul any donations for the Bizarre Bazaar on the following day, to Lady Rozsa's.
